Association for Translation Companies

Under new Chair Raisa McNab, the ATC is stepping up support for research, notably via a funded PhD; and campaigning in relation to T&I, notably around the likely impact of Brexit and the need for linguists to be recognised as a key employment sector where requirements for minimum income are relaxed: <https://slator.com/industry-news/uk-atc-builds-lobbying-efforts-ahead-of-march-brexite/>

Further organisations have now joined the outsourced framework contract for T&I, notably British Transport Police.
