Item 10d: Hispanic Studies

- (i) Very few colleagues in UK Hispanism have responded to my request for views, opinions, issues, for understandable reasons.
- (ii) Response to COVID-19:
 - a. Increasing pressure to put material online, and significant differences in approach to end-of-year assessments across the sector.
 - b. Principal events that have been cancelled: annual conferences of AHGBI (Association of Hispanists of Great Britain and Ireland); Society for Latin American Studies.
